Representative Projects
Residential and Multi Family Housing

2009 Hafensight Additions
Bulows Minde, St Croix

Major residential addition to create a residence from two historical Danish barracks by joining them with a new structure. Design had to reflect the existing yet provide a modern setting.

2009 Estate La Grange Subdivision
Fredricksted, St Croix

Subdivision studies to reflect current zoning of parcel to increase the density while maintaining several existing homes.

2009 Bodine/Townsend Residence
Green Cay, St Croix

New 3 br/3ba residence on a view site on the North shore.

2009 Walsh Gallery
Christiansted, St Croix

Design for a surrounding gallery for an existing residence to provide shade for walls and an exterior gathering space for entertainment.

2008 Tracy Nixon Residence
Queens Quarter, St Croix

New 3 br/3ba residence on a hillside overlooking the North shore.

2007 Premier Homes,
Christiansted, St Croix

Development of 3 prototype solar designs for leading green builder on St Croix.

- 2007 Cotton Valley Spec Home
Cotton Valley, St Croix
- 3 br/2.5 ba residence with patio living and lower guest unit.
- 2006 Fredsell/Brierly Residence
Coral Bay, St John
- New residence on a very unusual site overlooking Coral Bay.
Residence included several separate buildings linked by a path.
- 2006 Rockefeller Residence Renovation
Bugby Hole, St Croix
- Enclosure of large oculus in a dome structure to allow year round living, including expansion of the living rooms and a completely redesigned kitchen.
- 2005 Gentilucci Residence
Judith's Fancy, St Croix
- 4 br/3.5 ba residence in an island style.
- 1985 Popkin Residence Addition
Berkeley, CA
- Second story addition to a traditional style stucco home.
- 1984/5 Avalon Apartments
Martinez, CA
- 2 different designs for 3 unit apartments for a local builder.
- 1983 Coleman Residence,
Montclair, CA
- 3br/3ba residence overlooking the SF Bay.

- 1983 Burt Dreyfus Addition
Berkeley, CA
- Addition to add a guest suite and a large deck off the living room.
- 1982 Nut Hill Addition,
Orinda, CA
- Kitchen and Dining Room addition to provide space for group gourmet cooking and convivial dining.
- 1982 Baer Residence Addition
Los Angeles, CA
- Second story addition to provide a master suite, office and master bath over an existing residence.
- 1981 Spyglass Ridge Townhomes,
Pacifica, CA
- 27 3br/2.5ba units using solar heating, orientation and careful detailing to outperform the California Energy Standards of the day. Located on a surplus Nike Base, approvals were difficult to obtain.
- 1981 Tollerton Residence,
Big Sur, CA
- 1 br/1ba craftsman style home for a long time member of the Big Sur community.
- 1980 Taylor Residence Addition
Los Angeles, CA
- Great room addition to a small home, including a new kitchen.

- 1980 Dreyfus Teahouse
Berkeley, CA
- A traditional teahouse with shoji screens and tatami for meditation and yoga.
- 1979 England Residence,
Berkeley, CA
- 3br/3ba residence with lower apartment on a steep uphill site. Home included an elevator that connected the garage and the main floors.
- 1979 Henry May Residence Addition
Kensington, CA
- Addition of a second floor studio space and office for a retiring Professor of History at Cal.
- 1978 Halstead Residence Addition
Davis, CA
- Addition to a ranch style home to double the size of the great room and integrate Egyptian wooden screens as room definers.
- 1977 Murchio Residence Addition
Kensington, CA
- Addition of a master bedroom wing and integration with an existing craftsman style home. Design included providing a clerestory for a large stained glass by Peter Mollica.
- 1977 Gilmore/Sheats Residence
Sonoma, CA
- 3br/2.5ba speculative home on a rural site with solar hot water.

1976 Klurfeld Residence,
Orinda, CA

Traditional two story home with a modern interior layout.

1975 Binford Residence,
Carmel Valley, CA

3ba/2.5ba speculative home for a Carmel Valley builder. Design reflects a Southwest style and utilizes half levels to step up a slope.

1975 Dreyfus Residence Addition
Berkeley, CA

Second story addition to a small cottage to allow for a new family. Design reflected original style and detailing.

1972 Sumner Residence,
Malibu, CA

1 br/1ba home in Las Flores Canyon, designed around large salvaged wooden columns and a desire for open space living.
